Californian To Head WT Music Department

Dr. John E. Green, chairman of the department of music and director of bands at Long Beach State College in California, has been named chairman of the music department at West Texas State University, president James P. Cornette has announced.

Dr. Green succeeds Dr. Ted J. Crager, who has resigned, to become director of music education at Sam Houston State Teachers College September 1. Until Dr. Green assumes duties here toward the end of the first semester, Miss Matilda Gaume, head of piano instruction, will be acting chairman of the department.

Miss Gaume has returned to WT after a year's leave of absence for study toward the doctorate at Indiana University.

Dr. Green has been director of bands at Long Beach State since 1959 and chairman of the music education and director of marching bands at the University of Southern California for four years before going to Long Beach State.

A native of Cleveland, Ohio, Dr. Green earned the Bachelor of Music and Master of Music degrees at the University of Illinois. He holds the Doctor of Education in music education from the University of Southern California.

He was an instrumental music teacher in public schools in Illinois and Iowa for 11 years, and for three of these years was head of the instrumental music department in the Iowa City, Ia., public schools.

Dr. Green is a member of Phi Mu Alpha Sinfonia, national music fraternity, Pi Kappa Lambda, honorary music fraternity, Phi Delta Kappa, national honorary in education,

Pancake Supper Friday Night

Tickets for the Randall County Round-Up "Pancake Supper" are on sale this week, but a misprint on the date has been brought to the attention of ticket salesmen.

The pancake supper will be held on August 2, Friday from 5-7:30 p.m. at the American Legion Hall. Tickets are on sale for 75 cents and entitles the owner to a supper of delicious pancakes.

Canyon Girl Almost Drowns At Buffalo

Charlotte Clark had a narrow escape from drowning at Buffalo Lake about 9 o'clock Tuesday night, according to Bill Wilson, Randall County justice of the peace.

Charolette, 14, daughter of Mr. and Mrs. Ken Clark of 1403 Seventh Avenue in Canyon, was waterskiing and swimming with friends after dark at the lake when she told the others that she would swim to the shore, according to Wilson.

While swimming in the darkness, she evidently became lost and was about exhausted when she was spotted by a fisherman who pulled her into his boat and carried her to the shore, Wilson said.

The other waterskiiers, fearing she had drowned, called the Randall County Sheriff's Department and the Canyon Emergency Unit.

The girl was safe on shore, however, when the rescue units got to the scene, according to Wilson.

The girl was taken home in the care of her parents.

Old Fiddler Contest Friday

Roundup Begins Today

Miss Gruner Gets Ribbon For Dress

Miss Cindy Gruner was awarded a red ribbon at the District I Dress Revue held at the Holiday Vic Mon, west, in Amarillo last Friday afternoon.

She was competing with senior division winners from 17 counties for the district title. Four winners and one alternate were selected from the District to attend the State 4-H Dress Revue that will be held in Dallas during the opening week of the Texas State Fair.

Miss Gruner modeled a powder blue modified sheath dress of American made wool that was complemented with a hand knit hat. She wore black patent accessories. The ensemble she modeled on the District program won first place ribbon in the senior division at the Randall County Revue.

Leta Cranmer, daughter of the E. L. Cranmers, was the Randall County junior division winner and modeled on the District I program in Amarillo, but was not entered in competition for the district title. She modeled a red wool sheath accented with a gold pin and black accessories.

Miss Cranmer has been in 4-H Club work for about 5 years and has ribbons and medals for her projects in food, clothing, and dairy products. She is in the 8th grade and is active in many clubs including the Girl Scouts.

Miss Gruner has been an active 4-H Club member for 6 years and won the senior division ribbon at the Randall County Revue last year, also. Miss Gruner won the junior

Go western or land in jail is the story here! Randall County sheriff, L.S. "Slim" Johnston, right, shows how the sheriff's posse will lock up dudes in Canyon during the annual Old Settlers' Reunion if they fail to wear at least three items of western clothing. The jail will be located on the courthouse square during the festivities. The two dudes are, on the left, Johnny McBroom and H.R. King.

Flapjacks Friday, Barbecue Saturday

The fourth Annual Randall County Roundup and Old Settler Reunion will be held in Canyon Thursday, Friday and Saturday.

Randall County Old Settlers, townspeople and dudes will don cowboy hats, long boots, western shirts and britches in keeping with Mayor Delbert Lowes' proclamation that August 1, 2, and 3 be designated as the Randall County Roundup and Old Settler's Reunion.

The Sheriff's Posse will be on hand to insure that anyone not wearing at least three items of western wear will be thrown in the jail house on the courthouse lawn. The posse has threatened to put the jail, dudes and all, on a flat-bed wagon and drive it around the town square for all to see.

The official roundup will start with the Grand Entry Thursday night at 7:30 at the Sherriff's Posse rodeo arena east of Canyon.

Three rodeo performances will be featured during the roundup. The rodeos are sponsored by the Randall County Sheriff's Posse with Earl Reynolds as chairman of the rodeo committee. Each rodeo will start with a grand entry by the Sheriff's Posse and members of invited riding clubs from all over the Phahandle.

Rodeo events will start off with saddle bronc riding, followed by bare back bronc riding and bull riding. Other events will include steer wrestling, calf roping and heading and heeling. The kid's calf scramble will also be a part of the three night performance.

Tickets to the rodeos can be purchased from any member of the Sheriff's Posse or at the gate. Admission is $1.50 for adults and 75¢ for children.

A western dance will be held in the National Guard Armory on the Palo Duro Highway east of Canyon after each rodeo. The Texas Swing Kings will provide the music. Tickets will be on sale at the door of the Armory.

Friday afternoon, the roundup gets into full swing with the Old Settler's Reunion and Fid-

New Manager At Palo Duro State Park

Palo Duro Canyon State Park will be under new management after August 1.

Jerry Tschauner, 26, of Odessa, is the new Region 4 Ranger and administrative ranger for the park.

Tschauner is a 1959 graduate of park administration from Texas Tech. He was previously employed with the Ector County Park Department as supervisor of park design and construction for that county.

Tschauner will take over the reins of the 15,000-acre state park replacing park Ranger Buddy Hoskins, who is being transferred to the Austin office of the Texas State Parks Board.

Tschauner and his wife Jove, have three boys; Vance, 4; Rob, 2; and Scott, who is one. They will move into the park manager's residence at the entrance to the park.

Tschauner finished high school in Odessa and following graduation from Texas Tech in 1959, served his military service as a 1st Lt. in the U. S. Army in Germany. He spent three years duty there. He then returned to Odessa where he was employed by the Ector County Park Department.

"I'm looking forward to working with the fine staff in the park and with the people of Canyon and Amarillo.

"I've got a lot of respect for Buddy Hoskins and the work he has done at Palo Duro Canyon State Park," Tschauner said.

Baseball Meeting Is Monday

The annual membership meeting of the Canyon Little League will be held Monday in the district court room on the third floor of the county courthouse at 7 o'clock.

Purpose of the meeting will be the election of Little League officers for the new year, discussion of this seasons performances and the possible addition of new Little League teams.

Truett Hull, president of the Little League, said there are now enough boys enrolled in the Little League baseball program to justify additional teams.

All Little League parents, workers and contributors are invited to attend the meeting, Hull said.

Old Fiddlers' Contest To Highlight Roundup

One of the fastest moving and certainly one of the most entertaining parts of the annual Old Settler's Reunion in Canyon is the Old Timer's Fiddling Contest.

R. B. Allen and Bill Davis are co-chairmen for the organization of this year's contest and have already piled up more entrants than participated last year.

Judges for this year's contest are Jess Lynch from Hale Center, Bob Collins from Hale Center and Wes Campbell from Levelland. All are old-time fiddlers and professional fiddling judges.

The fiddling festivities start off Friday morning at 9 with a free-for-all jam session of the old fiddlers. This is their practice period during which time they can get together and play whatever tunes they choose until 2 in the afternoon when the contest starts.

The fiddlers traditionally square off in various parts of the town square, getting warmed up for the real thing in the early afternoon.

All fiddlers have to register for the contest before it begins at 2, according to the committee. There will be a reservation booth next to the flat-bed truck that serves as stage for the fiddlers.

The judges will sit in a special roped-off area by the truck. A microphone will be on the truck platform where the fiddlers will play.

Allen said that any fiddlers who want to may enter the contest by registering ahead of time.

The fiddling committee sent out pre-regiestration forms and invitations to all the fiddlers they had names for, but anyone who didn't receive the early form and invitation is still welcome to participate, Allen said.

Break-down music is an "old-timey" term for the fast sawing fiddle music that is traditional with fiddlers. The judges find it better to judge the fast moving music because it requires such fast fingering on the fiddle and a good memory for the tunes.

The fiddling committee is getting two or three entrants a day this week to the fiddling contest, according to Allen. He says there should be more entered this year than last. "I don't know how many will come but it will be 15 to 20 fiddlers at least," he said.

Aladdin To Play At BIT This Week End

The Department of Speech at West Texas State University will present the Palo Duro Players in a children's theater production of "Aladdin" Friday and Saturday evening.

Curtain time for the production is 8:15 p.m. in the Branding Iron Theater on the University campus. Students will be admitted by activity ticket. Admission for adults is one dollar and all other admissions are 50 cents.

"Aladdin" is the fourth play of the 16th summer theater season at West Texas State University. Lydia Miller has written an original dramatization of the familiar story for the two day performance. Special songs and mood music were composed for the script by Linda Adams. Wam Moore will be accompanist for the production.

William A. and Margaret Echols Moore are directors for the summer production. Erin Wertenberger was in charge of stage design.

Martin McDonald will portray Alladin in the porduction. Other cast members include Reggie Reeves as Ali; Eddie Davis as Omar; Lydia Miller as Aladdin's mother; Bob Haggard as Shalom-Abra, the magician; Don McPherson as Genie-of-the-Ring' and Jackie Fuqua as the Genie-of-the-Lamp.

The Princess Morgiana is being played by Jenny Lynn Massad. Other cast members are Dariush "Johnny" Baroumand as the Sultan; Mike Connell as the Grand Vizier; Nancy Davis as Fatima; Lawana Long as Soy Roa; and apprentice Genies are Jo Beth

Help Boost Western Week

The Randall County Sheriff's Posse requests that Canyon business, university and townspeople help promote the coming Old Settlers' Reunion by creating a true old western atmosphere in the town during the week.

Trustees Set Date For Budget Hearing

A budget of $900,281 was endorsed Tuesday night at a regular meeting of Canyon Independent School District board of trustees.

The budget will not be formally adopted until after the budget public hearing which is scheduled for August 20. One school board member Tuesday night noted that no one has shown up for public hearings in the past several years.

Superintendent Huelyn Laycock told the board that the faculty now is short only one teacher.

Three new teachers were hired and one resingation was accepted at the Tuesday night meeting. The board accepted the resignation of Mrs. Mildred Stribling.

Mrs. Lorraine Harrison and Mrs. Lois Wade were hired to teach in elementary school. Mrs. Harrison taught five years in the Odessa system. She now is working on her masters degree at West Texas State University.

Mrs. Wade is a graduate of West Texas State and did student teaching in the Canyon system. She taught one year in New Mexico.

William Hammon, Jr., was employed to teach science. He is a graduate of North Texas State University.

The board passed a resolution that in the future teachers will be considered for employment on an individual basis rather than in groups.

Trustees approved a tuition contract between Canyon and Amarillo school districts. The contract is the same as the contract in force for the past several years.

Sale of an old barracks building now located at junior high school was approved. It was sold to Presley Kennamer for $431.

July Dry One Here

The month of July turned out to be a dry one with only 1.89 inches of precipitation recorded at the West Texas University weather observation station.

Dr. M.B. Measamer, who keeps the station, reports that .07 inches of rain fell July 13th, .94 inches on July 14th, and 0.88 inches on July 28th for a total of 1.89 inches.

dlin' Contest. Old timers have been invited from all over the Southwest to attend the reunion and participate in the fiddling.

Old timers who register at the Chamber of Commerce booth will get free tickets to the Pancake Supper which starts at 5 p.m.

Fiddlers will gather about 9 o'clock Friday morning and practice around the courthouse square until 2 in the afternoon when the fiddling contest will start.

There will be two divisions for the fiddler's; the 65 years old and older and those less than 65 years old. Prizes in both classes will be $50 for first place, $40 for second place, $30 for third place, and $15 for fourth place. About 40 fiddlers are expected to participate.

The Old Settlers will have their reunion Friday afternoon during the fiddling contest.

All Old Settlers who have registered with the Chamber of Commerce get free tickets to the Pancake Supper put on by the Canyon Kiwanis Club which is selling the tickets for the feed, and the Canyon Jaycees who are doing all the cooking and serving.

Tickets for the Pancake supper can be purchased from any member of the Canyon Kiwanis Club or at the door of the American Legion Hall where the supper is being held. The serving begins at 5 and will last until the start of the rodeo at 7:30 Friday evening.

The Friday night rodeo will start at 7:30 with the Grand Entry.

The official Roundup Parade will begin Saturday afternoon at 4 o'clock with Sheriff L.S. "Slim" Johnston in the lead on his Apaloosa stallion.

The parade will start from 22nd Street and 2nd Avenue and go west on 2nd Avenue to 15th Street where it will turn south and go around the square to 4th Avenue. The parade will then go east on 4th Avenue.

The Randall County Sheriff's Posse will follow the sheriff with several area riding clubs behind them. The city will have on display its new Dempster-Dumpster collection system and several of the city fire department's large fire trucks. There are open spaces in the parade for anyone wishing to ride in it. Bill Wilson is the Parade Marshal.

As soon as the parade breaks up, the Canyon Lion's Club will start serving the barbeque on the courthouse lawn. Bob's Buckboard Barbeque of Canyon is catering the event with barbequed beef, baked beans and all the trimmings.

The Canyon Rotary Club is selling tickets for the barbeque. A ticket can be purchased from any Rotary Club member or can be bought at the start of the serving line. Roundup officials expect ot serve more than 1100 persons. Tickets are $1.50 per person. The barbeque will close at 7:30 for the beginning of the Saturday night Grand Entry and Rodeo at the posse arena.

The Saturday night rodeo will be the biggest and most exciting of the three with all the area riding clubs participating in the Grand Entry. The Randall County Sheriff's Posse, as the host riding Club, will take the lead for the entry. The rodeo contestants will also ride in the entry.

Rodeo riders will have their chances to compete in the bareback bronc riding, saddle bronc riding, calf roping, bull dogging, bull riding and heading and heeling.

Girls will be participate in girl's barrel racing.

Twelve year old children or younger will be eligible to enter the calf scramble, one of the most popular rodeo events. To win in the calf scramble, the youngsters must secure ribbons tied to the tails of three calves. Winners in the contest will receive cash prizes. First prize will be $5, second prize will be $3 and third prize $2.

A beef drawing will be held Saturday night during the rodeo. The drawing is sponsored by the Sherriff's Posse. Tickets for the drawing can be purchased from any sherriff's posse member before or during the rodeo. Tickets will be $1 each.

Stock for the rodeo will be through the services of the Ratjin Rodeo Company of Happy.

The announcer for the three rodeos will be Bill Clifford of Canyon.

School Pix To Be Made August 5-10

Pictures for grades 10 and 11 for the Canyon High School annual will be made during the week of August 5-10 at Britain's Studio in Canyon.

"We urge each student to take advantage of this opportunity to have the picture made at a time when there will be no rush and when it will be possible for the photographer to do the very highest grade work" said James E. Miller, principal of Canyon High School.

Fee for the picture will be $1.02, including the sales tax. Pictures will be made from 7 a.m. until 5 p.m. daily.

Sittings for members of the Sophomore class are scheduled on August 5, 6 or 7 at Britain's. Members of the Junior class will have their pictures made on August 8, 9 and 10.

Boys should wear white shirts, a coat and tie. Girls are requested to wear dress-up type clothes. Solid white dresses should not be worn for the pictures.

Contract was let to Western Fence Company of Amarillo for fencing of the school yard in front of Canyon Elementary Schools. The area is a little less than two blocks between 22nd Street and Highway 87.

Western Fence Company with a bid of $956.62 was low bidder on the project.

Members of the school board are scheduled to make final inspection Thursday afternoon of school buildings recently built. The board will be accompanied on the tour of inspection by the contractor and the architect. If everything is in order, the buildings probably will be accepted for the school district by the board.

The trustees agreed to give discounts for early payment of school taxes as in the past. A discount of 3 percent will be granted during the months of September and October; 2 percent in November; and 1 percent in December.

Salaries of three school employees were raised. The salary of Business Manager Jim Plain was raised from $6,112 to $6,712. Salary of Lee Foster, tax collector, was raised from $7,198 to $7,500.

Salary of Elementary Principal Oscar Hinger was raised from $7,600 to $8,000.

J. O. Parker, president of the board, noted a 9.2 percent increase in the cost of natural gas and suggested that a representative of the gas company be asked to meet with the trustees and explain.

Eight Scouts Attend Camp At Canadian

Eight Canyon Scouts from Troop 31 are attending an aquatic camp on Lake Marvin near Canadian from July 28 through August 3.

The program at the camp will be devoted to learning and practising waterfront skills such as boating, swimming and life saving.

Other activities such as camp fires, the Order of the Arrow and Fun Night, will also be held at the camp. Meals are served the scouts in a supervised central dining hall.

Each boy attending the camp will receive an Aquatic Camp Patch. Other awards will also be made to the campers.

The eight scouts are Stoney Ormsby, Mike LaGrone, Ricky Warren, Bruce Shell, Craig Parker, Curtis O'Donald, Don Edmondson and Johnny Abbott.

Linda and Jamie Huff of Amarillo are visiting this week with their grandparents, Mr. and Mrs. C.A. Huff. They are children of Mr. and Mrs. Wallace Huff of Amarillo.

Guests in the C.A. Huff home Sunday were Mr. and Mrs. Charles Hogue of Woodward, Oklahoma. Mrs. Hogue is a niece of the Huffs.

Mr. and Mrs. Guy Sullivan of Joplin, Missouri are spending several days this week visiting with their daughter's family, the George Ritters.

The Stambaugh family reunion held at Seiling, Oklahoma over the week end was attended by Mr. and Mrs. Newton J. Richardson and children, Benny and Pam.

They were accompanied on the trip by Gary, Geneva and Joel Richardson, children of the Thurman Richardsons from Panhandle.

The group stopped at Lake Marvin enroute to Oklahoma.

These eight Canyon scouts from Troop 31 are attending a six day aquatic camp at Camp Kiowa near Canadian. From left to right are Johnny Abbott, Mike LaGrone, Ricky Warren, Stoney Ormsby, Craig Parker, Don Edmondson, Curtis O'Donald, and Bruce Shell.

MRS. JAN REINUS

Loudder-Reinus Vows Are Told In Canyon Home

Miss Margaret Loudder became the bride of Jan Reinus in an evening marriage ceremony performed July 20 in the home of Mr. and Mrs. Joe Hawkins of Canyon.

The bride is the daughter of Mrs. Jeanne Loudder of Canyon. Mr. and Mrs. Leonard Reinus of Los Angeles, California are parents of the bridegroom.

Rev. Dale Harter, pastor of the First Christian Church of Canyon, performed the single ring ceremony.

A white footed urn holding a floral arrangement of white gladioli and flanked by large palm leaf fern decorated the fireplace altar. The altar region was flanked on each side with large candleabra bearing white tapers.

Miss Sally Tippery served as the bridesmaid. She wore a lavender dress designed with a full skirt and three-quarter length sleeves. The dress was complemented with a scooped neckline. She carried a nosegay of white stephanotis and wore a white pearl tiara as her headpiece.

Best man for the evening ceremony was Jim Sorenson of Canyon. Serving as ushers were Joe Hawkins and Paul Mann, both of Canyon. The ushers were in charge of registering guests at the wedding.

The bride was escorted and given in marriage by a family friend, Harold Garrett of Amarillo. She wore a street-length dress of white lace and chiffon fashioned with a fitted lace bodice and full gathered skirt. Long wrist length sleeves accented the bodice that featured a scooped neckline.

Her shoulder length veil of illusion cascaded from a small pillbox ring of chiffon. An orchid was the central feature of the bridal bouquet. The orchid was surrounded with stephanotis and carried atop a prayer book. Small white satin streamers cascaded from the bouquet.

A three-tiered wedding cake topped with a miniature bride and groom was served to guests, at the reception in the home, following the wedding ceremony. The cake was frosted in white with tiers decorated as a continuation of the bride's skirt.

The serving table was laid with a white lace cloth over orchid and an arrangement of white gladioli decorated the buffet. Tall tapers flanked the floral arrangement. Appointments of crystal were used.

Mrs. Joe Hawkins and Mrs. Paul Mann, both of Canyon, served at the reception honoring the couple.

The bride attended high schools in Canyon and Salt Lake City, Utah. Her husband graduated from high school in Los Angeles, California, and is employed by Life and Casualty Insurance Company of Tennesse with office in Amarillo.

A home for the couple has been established in Canyon at 107 28th Street, Apartment 8.

Shower Honors Miss Barnett

Miss Patricia Barnett, bride-elect of Robert Dowse, was honored with a miscellaneous bridal shower in the home of Mrs. Bob Anderson recently.

Guests were received by Mrs. Bob Anderson, Miss Barnett, Mrs. Harold D. Barnett, mother of the bride-elect, and Mrs. E. M. Dowse, mother of the prospective bridegroom.

Approximately 60 guests were registered at the evening shower by Miss Gayle Rae.

The serving table was laid with a hand crocheted tablecloth over blue. An arrangement of blue and white flowers centered the table. The home was decorated with the bride-elect's chosen colors of blue and white.

Presiding at the punch bowl was Miss Sidney Oldham. Individual party cakes decorated in blue and white were served by Miss Dana Anderson.

Miss Barnett was presented with a bedspread, lamp, electric mixer and a set of mixing bowls by the hostesses who were Mesdames Bob Anderson, Clint Oldham, and Misses Dana Anderson, and Sidney Oldham.

Recent Bride Is Honored With Shower Saturday

Mrs. McDuffy Kessler, the former Helen Calder, was honored with a post-nuptial bridal shower in the home of Mrs. R. D. Wheelock last Saturday afternoon from 4-6 p.m.

Members of the receiving line were Mrs. Wheelock, the honoree and her mother, Mrs. Henry L. Calder, Jr.

Presiding at the guest book was Miss Pam Calder, sister of the honoree. Appropriate musical selections were presented throughout the afternoon by Misses Virginia Crounse and Mary Ann Wheelock.

A Quaker lace cloth in the princess pattern covered the serving table. The focal point of the decorations was a pink satin wedding ring, covered with net ruffles and minature pink rosebuds, standing upright on a tier of ruffles that were imbedded with sweet peas. The ring was topped with two white wedding bells. Crystal candleabra bearing white tapers surrounded with pink net and sweet peas flanked the centerpiece.

Party cookies, frosted grapes, mints and frosted raspberry-pineapple punch were served to guests. Presiding at the punch bowl were Misses Mary Ann Wheelock, Phyllis Bonnie and Virginia Crounse.

The honoree was presented with a place setting of pottery and tableware, in her selected pattern, by the hostesses.

Mesdames Bryan McDonald, M. B. Measamer, J.L. Russell, H. W. Laycock, R. C. Busteed, T. V. Crounse, and R.D. Wheelock were hostesses for the bridal shower.

MRS. WILLIAM EDWARD COX JR.

Tucek-Cox Vows Exchanged In Canyon Church Ceremony

Nuptial vows for Miss Loretta Irene Tucek and William Edward Cox, Jr. were solemnized at a double ring ceremony performed last Friday afternoon at St. Paul Luthern Church in Canyon.

Rites were read by Rev. W. E. Eckhardt, pastor of the church.

The bride is the daughter of Mr. and Mrs. Raymond R. Tucek of Canyon. Her husband is the son of Mr. and Mrs. William E. Cox, Sr. of Hereford.

Escorted and given in marriage by her father, the bride wore a dress of Chantilly lace over tulle and satin. The fitted bodice featured a scalloped neckline that was accented with tiny pearls and iridescent sequins. The long fitted sleeves terminated in bridal points atop the hand and were fastened at the wrist with small lace covered buttons. Chantilly lace roses caught the front skirt panel in soft scallops at the hemline and the full skirt terminated in a short chapel train.

Her fingertip veil of illusion was edged with lace and fell from a Queen Anne crown that featured small pearls and iridescent beads. Two white gardenias centered the bridal bouquet. White baby carnations were arranged around the gardenia center and streamers of lace cascaded from the bouquet.

Miss Phyllis Gerdsen presented appropriate musical selections at the piano including "Preludes" by William Stickles, "The Wedding Prayer" by Fern Glasgow Dunlap, "Sontage" by Furlitt, "Wedding March" by Mendelssohn, and the "Bridal Chorus" by Richard Wagner.

The altar of the church was decorated with two arrangements of white gladioli and the front of the church featured two large baskets of white gladioli. The floral arrangements were flanked on each side with candleabra and greenery.

Miss Linda Tucek served as the maid of honor for her sisters wedding. Bridsmaids were Barbara Banks and Junell Bauer, both of Canyon.

Identical dresses of ice blue chromspun fabric were worn by the bridal attendants. The dresses were designed with a rounded neckline in front that formed a V in the back with soft lapels. A small bow was attached at the back V. They carried nosegays of white and blue pompon mums.

Rhonda Tucek, sister of the bride, was the flowergirl. Candlelighters were Diane Tucek and Clinton Tucek.

The flower girl wore a Cinderella styled dress of Dacron polyester with small embroidered flowers at the waistline and on the skirt. She wore a white corsage and carried a flower basket. The candlelighter, Diane, wore an ice blue dress designed identical to the bridal attendants.

Melvin Tucek, brother of the bride, was the best man. Serving as groomsmen were Robert Tucek, brother of the bride, and David Cox, brother of the groom. Ushers for the afternoon ceremony were Norman Tucek, brother of the bride, and Donald Dutton, brother-in-law of the groom.

A reception following the ceremony was held at the home of the bride's parents. The serving table was laid with a lace tablecloth over blue and centered with an arrangement of white gladioli that was flanked with two white candles.

The three tiered wedding cake was topped with a miniature bride and groom under a heart shaped archway that was decorated with white net ruffles. White sugar bells decorated the lower layers of the cake and small blue forget-me-nots were sprinkled over the cake. The cake was made by Mrs. Lewis Tucek, aunt of the bride.

Presiding at the punch bowl were Mrs. Weldon Tucek and Miss Lucy Tucek. The wedding cake was served by Mrs. Donald Dutton and Mrs. Wanda Tucek.

For a wedding trip to El Paso, the bride traveled in a blue cotton dress featuring a front bodice of embroidery and a pleated skirt. She chose white accessories to complement the ensemble.

The bride is a graduate of Canyon High School and was employed at the Village Drive-Inn in Canyon at the time of her marriage.

Her husband graduated from Webber Falls High School in Oklahoma and has attended West Texas State University.

The couple will make their home in Canyon.

Canyon has always been a gay town of rodeos, football games and reunions. Here is a picture of the reunion of 1909. The number of horseless carriages denotes the prosperity of the area at that time but they are far outnumbered by horse-drawn vehicles.

Rodeo Features Thrills, Chills For Three Nights

Spills and thrills is the usual rodeo call describing the events of the popular Southwest sport.

Starting at 8 o'clock Thursday, Friday and Saturday nights, the Old Settlers Reunion Rodeo will offer spills and thrills for the enjoyment of the reunion spectators.

The rodeo this year is sponsored by the Randall County Sheriff's Posse with Earl Reynolds as chairman of the rodeo committee.

Each rodeo will start off with a grand entry by members of the Sheriff's Posse, rodeo contestants and other riders. Saturday night the grand entry will be led by visiting sheriff's posse riders and riding clubs from nearby Panhandle towns. The Randall County Sheriff's Posse will take the drag of the Saturday night entry as the host riding club.

Additional seating for the rodeo will be made available, according to posse members, so that up to 1000 rodeo fans can see the show.

The rodeo events for the three-night show will start off with the saddle bronc riding followed by bareback bronc riding.

Bull riding will be one of the most spectaular events of the rodeo, featuring Speedy Gonzales, one of the meanest and most unridable bulls in the Southwestern rodeo circuit.

Speedy Gonzales is a small, lean black Brahma bull, noted for being unpredictable in the arena. The bull has never been ridden long enough to meet the 8-second qualification time, according to Randall County Sheriff's Posse members.

Stock for the show is supplied by the Ratjen Rodeo Company of Happy.

Bulldogging or steer wrestling is also one of the more spectacular riding events scheduled for the rodeo. Fresh steers for the events will be supplied by Ratjen.

Calf roping will be the biggest event of the rodeo with more entrants than any other contest, according to rodeo officials. Many of the top local calf ropers and some of the best Texas ropers are expected to enter these events.

Heading and heeling is another of the more entertaining spectator sports with two ropers bursting out of the chutes with a running steer. The idea of the contest is for one cowboy to rope the steer's head while the other ropes his rear heels. Best time for heading and heeling the steer and stretching him out wins the purse for that event.

The kids' calf scramble is another event that has proven popular in rodeos across the Southwest. In this event, the kiddoes 12 years and under will chase after several calves, three of which have ribbons tied to their tails. Soon as the kiddoes can get one of the ribbons off the calf, he runs back across the finish line with it. First, second and third place prizes will be given each night for winners in the kids' calf scramble.

Cash prizes will be delivered to winners of all the regular rodeo events with the contestants paying their entry fees and competing for the top day money and the overall jackpot prize.

On the final night, the Randall County Sheriff's Posses will hold a drawing for half a beef. Tickets for the beef can be gotten from any posse member.

A feature attraction each rodeo night will be a presentation of fast moving precession riding quadrangle by the Randall County Junior Deputies.

Another specialty event will be square dancing on horseback by the Junior Square Dance Team of Amarillo.

This group of pioneer Randall County cowboys are getting ready to head for the canyons. The gear is shown here aboard a supply wagon. The cowboys probably rode ahead for a day of work while the slower wagon caught up with them for meal time camp.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 1 proposing an amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 4 of Article VI of the Constitution of the State of Texas be amended to read, respectively, as follows:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces; and provided further, that before offering to vote at an election a voter shall have registered if required by law to do so. The Legislature may authorize absentee voting. This Amendment shall take effect on December 1, 1963.

"Section 4. In all elections by the people the vote shall be by secret ballot. The Legislature shall provide for the numbering of ballots and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of elections, and may provide by law for the registration of all voters. Should the Legislature enact a registration law in anticipation of the adoption of this Amendment, such law shall not be invalid by reason of its anticipatory character."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"**FOR** the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

"**AGAINST** the amendment of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 21 proposing an Amendment to the Constitution of the State of Texas, amending Sections 51-a and 51-b-1 of Article III so that the same shall consist of one Section to be known as Section 51-a; providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to (1) citizens of Texas who are needy aged persons over the age of sixty-five (65) years, (2) needy persons who are at least eighteen (18) years of age and less than sixty-five (65) years of age who are permanently and totally disabled, (3) needy blind persons over the age of twenty-one (21) years, and (4) needy children under the age of sixteen (16) years; authorizing the Legislature to set up residence requirements for eligibility for such assistance; repealing the Constitutional limit on the amount paid out of state funds to individual recipients of Old Age Assistance and Aid to the Permanently and Totally Disabled; providing that the amounts for such assistance payments shall not exceed the amounts that are matchable out of federal funds for such purposes; providing that the amounts expended out of state funds for such purposes shall not exceed Sixty Million Dollars ($60,000,000); providing for the acceptance of financial aid from the Government of the United States; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 51-a and 51-b-1 of Article III of the Constitution of the State of Texas be amended, and the same are hereby amended, so that the same shall hereafter consist of one Section to be known as Section 51-a of Article III, which shall read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may by the Legislature be deemed expedient, for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are actual bona fide citizens of Texas, and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution; while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds;

"(2) Needy individuals, who are citizens of the United States, who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday, who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps and not feasible for vocational rehabilitation; provided that the Legislature shall prescribe the residence requirements for eligibility; provided further, that no individual shall receive assistance under this program for the permanently and totally disabled during any period when he is receiving Old Age Assistance, Aid to the Needy Blind, or Aid to Dependent Children, nor while he is residing permanently in any completely state-supported institution; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"(3) Needy blind persons who are actual bona fide citizens of Texas, and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any state-supported institution while such inmate; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further, that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"(4) Needy children who are actual bona fide citizens of Texas, and are under the age of sixteen (16) years; provided that the Legislature shall prescribe the residence requirements for eligibility; provided that the maximum amount paid out of state funds to any individual recipient shall not exceed the amount that is matchable out of federal funds; and provided further that the total amount of such assistance payments out of state funds on behalf of such recipients shall not exceed the amount that is matchable out of federal funds.

"The Legislature shall have the authority to accept from the Government of the United States such financial aid for such assistance as such Government may offer not inconsistent with the restrictions herein set forth; provided, however, that the amount of such assistance out of state funds to each person assisted shall never exceed the amount matchable out of federal funds; and provided further, that the total amount of money to be expended per year out of state funds for such assistance shall never exceed Sixty Million Dollars ($60,000,000).

"The Legislature may enact appropriate laws to make lists of the recipients of aid hereunder available for inspection, under such limitations and restrictions as may be deemed appropriate by the Legislature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"**FOR** the Constitutional Amendment providing for assistance payments to the (1) needy aged, (2) needy individuals who are permanently and totally disabled, (3) needy blind and (4) needy children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the payment of assistance grants on behalf of such recipients; providing for the acceptance of funds from the Government of the United States for the purpose of paying such assistance grants; providing that the amounts expended out of state funds on behalf of individual recipients shall not exceed the amounts that are matchable out of federal funds; and providing further, that the total amounts expended per year out of state funds for such assistance payments shall never exceed Sixty Million Dollars ($60,000,000)."

"**AGAINST** the Constitutional Amendment providing for assistance payments to the (1) needy aged, (2) needy individuals who are permanently and totally disabled, (3) needy blind and (4) needy children; authorizing the Legislature to set up residence requirements for eligibility; authorizing the Legislature to make appropriations out of state funds for the payment of assistance grants on behalf of such recipients; providing for the acceptance of funds from the Government of the United States for the purpose of paying such assistance grants; providing that the amounts expended out of state funds on behalf of individual recipients shall not exceed the amounts that are matchable out of federal funds; and providing further that the total amount of money to be expended per year out of state funds for such assistance shall never exceed Sixty Million Dollars ($60,000,000)."

Sec. 3 The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 26 proposing an amendment to Article XVI, Section 62 of the Constitution of Texas, by adding thereto a new subsection authorizing all political subdivisions of Jefferson County, Texas, to provide retirement, disability and death benefits for all appointive officers and employees of all political subdivisions within Jefferson County; providing for the necessary election, form of ballot, proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 62 of Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new subsection (c), reading as follows:

"(c) Each political subdivision within Jefferson County, Texas, shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for all appointed officers and employees of all political subdivisions within Jefferson County, Texas; or said political subdivision may elect to join the County Retirement System of Jefferson County; provided that same is authorized by a majority vote of the qualified voters of such political subdivision and after such election has been advertised by being published in at least one (1) newspaper of general circulation in said county once each week for four (4) consecutive weeks; provided that the amount contributed by the said political subdivision to such Fund shall at least equal the amount paid for the same purposes from the income of each such person and shall not exceed at any time seven and one-half per centum (7½%) of the compensation paid to each such person by the political subdivision.

"All funds provided for the compensation of each such person, or by the political subdivision of Jefferson County, Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the political subdivision within said county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States; provided that a sufficient amount of said funds shall be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and providing that the recipients of benefits for said Fund shall not be eligible for any other pension retirement fund or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the political subdivision is released to the State of Texas as a condition to receiving such other pension aid."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1964, at which election each ballot shall have printed thereon the following words:

"**FOR** the addition of subsection (c) to Section 62 of Article XVI of the Constitution, to authorize all political subdivisions within Jefferson County, Texas, to establish, after approval of its voters, a Retirement, Disability and Death Compensation Fund covering all appointive officers and employees of said political subdivisions."

"**AGAINST** the addition of subsection (c) to Section 62 of Article XVI of the Constitution, to authorize all political subdivisions within Jefferson County, Texas, to establish, after approval of its voters, a Retirement, Disability and Death Compensation Fund covering all appointive officers and employees of said political subdivisions."

Section 3. The Governor shall issue the necessary proclamation for said election to be held on the first Saturday after the first Monday in the month of November, 1963, and have notice of said proposed amendment and of said election published as required by the Constitution of Texas and laws of this state.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963.

SENATE JOINT RESOLUTION NO. 16 proposing an amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Three Hundred Fifty Million Dollars ($350,000,000.00); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advise and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Three Hundred Fifty Million Dollars ($350,000,000.00) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars ($200,000,000.00) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half percent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys hereafter coming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not theretofore received any benefits under the Veterans' Land Program; provided, however, that no more than one tract of land shall be sold to any one such veteran; and provided further, that no sale shall be made to any veteran for more than the amount of his or her preference right as hereinafter provided; and provided further, that no sale shall be made to any veteran who has received a certificate of eligibility under the Veterans' Land Program unless such veteran shall first surrender such certificate of eligibility for cancellation; and provided further, that no sale shall be made to any veteran who has received a certificate of eligibility under the Veterans' Land Program unless such veteran shall first surrender such certificate of eligibility for cancellation; and provided further, that no sale shall be made to any veteran who has received a certificate of eligibility under the Veterans' Land Program unless such veteran shall first surrender such certificate of eligibility for cancellation.

"All moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8½) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8½) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8½) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8½) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following:

"**FOR** the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by $150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"**AGAINST** the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by $150,000,000.00; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

These three Canyon youths recently participated in a ten day endurance hike in the mountains of northern New Mexico near Philmont Scout Camp. The Troop 31 scouts carried all their camping supplies and food on their backs during the endurance hike. They estimate they walked some 75 miles during the test. The scouts ate dehydrated foods except for the fish they caught while camping. From left to right are Kenneth Hammons, Eugene Bonds and John Warren.

PROCLAMATION

WHEREAS, Randall County and Canyon have a historical background rich in western tradition and,

WHEREAS, once each year people of the area gather together to commemorate and celebrate their history and traditions and,

WHEREAS, festivities including rodeos, parade, western style barbecue, fiddlers' contest, western dances, a pancake supper and other activities will take place and enjoyed by all and,

Lot Sale Imminent

City attorney A.W. Lair said Wednesday that judgment proceedings against property with delinquent city, county- state and school district taxes will will take place some time next week.

The amount of delinquent taxes, interest, and court costs will be charged against the property at that time, Lair said.

Notice of the charges and of the pending public auction of the property will be posted any time within ten days after the judgment, he said.

Some 20 lots within the city limits are due to be auctioned off on the courthouse steps in the near future. A final date for the auction has not been set.

The Canyon city commission in June instructed Lair, as city attorney, to start legal proceedings against all Canyon property which had delinquent taxes on the city tax rolls and whose owners could not be located.

The county and the school district joined in the suit against that property which had delinquent county-state and school taxes charged against it, Lair said.

Lt. and Mrs. Larry Black visited last week with his grandparents, Mr. and Mrs. Joe Black and Mr. and Mrs. F. D. C. Middleton.

They were enroute to Fort Ord, California where he will be stationed with the Army. They were living in Fort Benning, Georgia prior to the transfer.

Three Dances Are Scheduled

Three rodeo dances will be sponsored by the Randall County Sheriff's Posse Thursday, Friday and Saturday nights in the National Guard Armory on the Palo Duro Highway.

The dances will start about 10 p.m. each night during the 4th Annual Old Settler's Reunion. Tickets will be on sale by any member of the Sherriff's Posse or at the door to the dance.

Music for the dances will be provided by the Texas Swing Kings.

Western wear will be the clothing for the dances.

Local Woman's Mother Dies

Mrs. Minnie Williams, 60, died recently at Pilot Point, Texas near Dallas.

Attending funeral services from Canyon were Mr. and Mrs. R. M. Strohmeyer and children, Cathy, Karen, Kenneth, Carlene, and Melinda.

Mrs. Strohmeyer was a daughter of the deceased.

New Professors To Join WT For Fall Semester

Two new associate professors, both of whom will have doctorates, have been appointed for the 1963-64 session at West Texas State College, President James P. Cornette has announced.

They are Glen R. Aplin, associate professor of social studies, who will receive his Ed. D. degree August 10, and Gilbert Wyllie, associate professor of biology, who received his Ph. D. this month.

Aplin, who has taught for 14 years in high schools in the West, also has taught during summers at Southern Oregon College. He holds the B.S. and M.Ed. degrees from the University of Oregon, and will receive his Ed. D. degree from the University of Oregon in August.

He is married and has one child. He is a member of Phi Delta Kappa, national honorary fraternity for men in education, the National Council for the Social Studies, and the National Education Association and the Oregon Education Association.

Dr. Wyllie received his Ph.D. in life science this month from Purdue University. A native of Nebraska, he holds the B.S. from the College of Idaho, and the M.A. from Sacramenta State College. He has done graduate work at the University of Idaho, Oregon State University, and the University of Oregon's Marine Institute.

Dr. Wyllie served two years in the Army during the Korean War, and he is married and has a son and a daughter.

Around The Town (With Kids)

July 22 the R. B. Gists and my family started out for Antonito, Colorado on a camping trip. We crossed the Texas-New Mexico line at San Jon, Texas at about 11:00. We ate lunch at a roadside park a little bit into New Mexico. We came into Santa Fe late that afternoon and spent the night in a motel there. The next morning we went sightseeing until 11:00 M.S.T.

We got to our camping site about 5:00 Tuesday afternoon and set up the campers and got all organized.

Wednesday we fished most of the day on the South Fork. We only caught one but we had a lot of fun.

Thursday afternoon Roger Gist and I went on a hike up the nearest mountain. We had to cross a creek to get to it. After a little while we had to stop going up because we ran into a field of poison ivy and the insects got real bad. It was a good thing we did because it was starting to rain and it took us a long time to get down and we had to find a place to cross the creek. By the time we got back to camp it was raining fairly hard. We had fun though.

Friday we did much what we had been doing. In other words nothing special happened.

Saturday afternoon we packed up everything and the next morning we started home.

Sunday on the way home, Kathy Gist and my sister Kaysee knitted and played Barbie. Roger and I did crosswords and read. We ate supper at Tucumcari and bought some souviners.

We got home about 10:30 Sunday night.

RIDDLE

If you had three glasses, two full and one empty, what king would it remind you of?

***

Answer to last week's riddle: Because it's a good-bye (good buy).

Brochure Is Issued By University

A 24-page press brochure for West Texas State University football team was released by the sports publicity department at the university.

The brochure was compiled by Tom Greenhoe, who heads up the department.

The cover features color pictures of Buffalo Bowl. The pictures were taken at night.

Greenhoe To Chicago

Tom Greenhoe is in Chicago this week attending a national conference of college sports publicity men. Greenhoe is in charge of sports publicity at West Texas State University.

Greenhoe is scheduled to return to Canyon some time next week.

Bob Begert To Play At Coach Clinic

Bob Begert will play for the North basketball squad in the 18th annual all-star game at the Texas Coaching School Aug. 8.

Begert was an all-state basketball player for the Canyon Eagles last season. He and Harry Lisle paced their team to second place in the state play offs last spring being beaten only by powerful Buna.

Begert also played football for the Eagles.

The tall (6-5) Begert will be attending Southern Methodist University this fall.

Methodist Choir Gets Vacation

Rehearsals for the Sanctuary Choir of the First Methodist Church of Canyon have been cancelled for the 7th, 14th and 21st of August.

Regular rehearsals for the choir will resume on August 28 after the vacation period.

The Amarillo District Junior Camp for children in the Methodist Church who have completed the fifth and sixth grades is scheduled for August.

Other activities scheduled for the church include a Methodist Family Retreat and Layman's Retreat during August.

Mr. and Mrs. Roy Burke were in Fort Worth over the week end to attend the wedding of their granddaughter, Jackie Nantz.

Williams To Korea

Sgt. Karl J. Williams has left for San Francisco, California where he will depart for Korea soon.

Sgt. Williams had been stationed in Korea about a month when he received a 30 day emergency leave to return to the states.

The children and Mrs. Williams are living in Canyon. Sgt. Williams will return to the states in June of 1964.

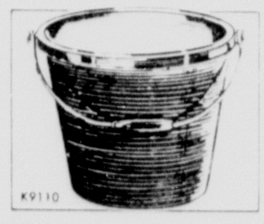

Mrs. Ivey Cole has been a houseguest this week in the home of Mr. and Mrs. O. B. Sanderson.

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO: Arthur A. Gerson, Defendant, Greeting: YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District County of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of August A.D. 1963, to Plaintiff's Petition filed in said court, on the 9th day of May A. D. 1963, in this cause, numbered 6036 on the docket of said court and styled Ruby Brewington Gerson, Plaintiff, vs. Arthur A. Gerson, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: This is a divorce suit brought against the defendant and a suit to recover Lot 7, Block 3, Sunset Haven Addition to the City of Amarillo, Randall County, Texas, as her separate property, and all household furniture, alleging as grounds, cruel treatment of such nature as to render their living together insupportable, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 17th day of June A. D. 1963.

Attest: Mavis Hill, Clerk
47th District Court
Randall County, Texas
By Sherry McDowell,
Deputy.

That Fiddlin' Man Declares He Won't Be Playin' Now

BY JIM THOMAS

Bud Rusk, that fiddler man.

The oldest fiddler in Randall County is Bud Rusk, a tall, straight man of 69 years who was born and raised in Randall County. He is probably the oldest living man born and still living in the county.

Bud was born in 1894 on his dad's ranch 15 miles southeast of Canyon. He went to Rusk rural school several miles from the ranch house, where he studied his three R's under the direction of Ida Roan, also from Canyon.

Rusk's father, R. M. Rusk, came to the Texas Panhandle in 1892, two years before Bud was born. The family settled in a ranch house and started raising cattle and farming.

Bud says he got started fiddling by ear. "I just picked it up and went to playing.

"I played at the dances at Umbarger and I played at 6-Mile Crossing and also at Hollywood which used to be between here and Amarillo. We played all over the country.

"When we had a dance, everybody would hear about it and here they came---from everywhere all over the county.

"They held the dances in the barns mostly. We'd run the milk cows out and start dancing and fiddling." Rusk said with a chuckle and a far-away look in his eye.

"We used to play for the mother-in-law clubs here in Canyon. Ernest Hawes, T. S. Furlow and I were a team. Hawes' daughter, Naomi, helped us a lot by playing the piano.

"Hawes played the mandolin and Furlow played the guitar. Bud Rusk played the fiddle.

"I guess the last time I played was at the first fiddle contest 3 years ago in Canyon at the first reunion. That's the last time I played.

"I'm not going to play this year. I don't have anyone to help me play. I don't play alone. Never did.

"My fingers won't work. You've got to have that touch if you play any," Rusk said.

Bud Rusk, that fiddler man.

Bud Rusk---the fiddler man. Rusk is the oldest known fiddler in Randall County. He is also one of the oldest persons born and still living in the county. He was born in 1894 in his dad's ranch house just southeast of Canyon. He has lived in Canyon all his life.

Jobs Open With P.O.

The Canyon Post Office is seeking applications from local residents who are interested in becoming postal clerks or city carriers, Postmaster Marion Higdon announced this week.

Persons who apply and who pass a written test given by the civil service commission will be placed on a list of eligibles, and will be considered for future job openings.

Clerks and carriers are now paid a starting rate of $2.26 per hour. Anyone interested in a career in the postal service may obtain complete information from Postmaster Higdon, or from the executive secretary, board of U. S. Civil Service Examiners, U. S. Post Office, Fort Worth.

The Post Office Department is the largest employer in the federal service, and provides facilities indespensable to the nation's commerce and defense. Postal employment is unusually stable and normally leads to a lifetime career. Outstanding postal workers advance to supervisory positions as vacancies occur.

Together with all federal employees, they receive regular step increases in salary. They enjoy the benefits of low-cost life insurance, comprehensive health benefits programs, paid vacations, and substantial retirement incomes.

Canyon Teacher Accepts Post

Barbara Lindsey, former Canyon resident, has accepted a position as a Latin teacher at St. Margaret's School in Tappahannock, Virginia.

The boarding and day school for girls is an institution of the Episcopal Church with an enrollment of 140. Girls from grades eight through twelve attend the college preparatory school that offers a conservative curriculum and has a reputation for high academic standards.

Barbara applied to the headmistress and was offered the position without the required personal interview. She is studying at the University of Colorado in Boulder, Colorado this summer.

Lowry Family Has Reunion

Mrs. R. D. Lowry was surprised when her children and grandchildren arrived last week end for a visit. The week end gathering was the first time that all of her children had been together in ten years.

Spending the week end were Mr. and Mrs. Lou Livingston of Shenandoah, Iowa, Mr. and Mrs. Glen Phillips of Darrouzett, Mr. and Mrs. Leroy Lowry of Lubbock, Mr. and Mrs. Alex Hale of Plainview, and Mrs. Harry Hill of Laverne, Oklahoma.

The group joined Mr. and Mrs. Orville Howard and Billy Gleason in Amarillo for lunch on Sunday.

ThreeCanyon Pupils Attend J Institute

Rosemary Innes, 2105 Fifth Ave., Jan Jenning, 1307 Third Ave., both of Canyon, and Mike Marrs, Amarillo, all students at Canyon High School, are among 279 students attending the third session of the 17th annual Indiana University High School Journalism Institute, July 21-August 3.

Comprehensive courses in editing, copywriting, photography, and business management are included in the Yearbook Workshop for staff members of high school annuals.

Director of the Institute is Miss Gretchen Kemp, professor of journalism.

Mr. and Mrs. Jimmy Plain visited last week end at Tucumcari, New Mexico with the Don Clark family.

Speakers Named For Conference

Speakers have been selected for the eleventh annual Reading Conference, to be sponsored august 13-15 at West Texas State College by the Texas Association for the Improvement of Reading.

Meetings of the three-day conference will be held in the air-conditioned Student Union Building, with each of the speakers addressing the conference once daily. Group meetings for different interest and levels of teachers are scheduled each day.

Speakers are Dr. Walter Loban of the University of California, Dr. Bill Martin, Jr., author, editor and storyteller, and Dr. Olive Wheeler of Texas Technological College.

Conference fee is $7.50 for the three days, or $3 for one day. Planning committee for the conference at WT includes Leo Steinkoenig of Borger, Mrs. Hazel Douglas of Tulia, Mrs. Eunice Johnson of Plainview, and Dr. Ruth Lowes, head of the education department at West Texas State.

Virda Rayburn of Wellington visited recently with her sister, Mrs. R. S. Ramage.

Baby Son For Jack Cambells

Mr. and Mrs. Jack Campbell of Amarillo announce the arrival of a baby boy on July 24 at Dallas.

The baby weighed 5 pounds and 1 ounce on arrival and has been named Edward Thomas Campbell.

Grandparents of the new arrival are Mr. and Mrs. Jack Campbell of Wellington and Mr. and Mrs. L. T. Campbell of Canyon.

Fishing in Colorado this week were N. W. Roberts and C.F. Reynolds, both of Canyon.

Who Profits?

(AN EDITORIAL)

We hope the members of the US Senate will take a long hard look at the proposed nuclear test ban agreement initialed last week by the plenipotentaries of President Kennedy and Chairmand Krushchev.

Two thirds of the members of the Senate must "consent" if the treaty is to be ratified.

Who gains by the treaty if it is kept faithfully?

The Soviet Union, of course. Krushchev never negotiates unless there is gain to be had.

Sept. 1, 1961 the Soviet Union broke a three-year testing moratorium. Having prepared in secret, the Soviets tested super-killer bombs of 100 and 160 megaton size capable of rendering utter destruction over an area with a radius of some 20 miles.

The US, having honored the moratorium, made no preparations for such testing and hence has tested none of these super-terror weapons. Military men say the US is lagging in this area but is far ahead in tactical nuclear potential. This includes atomiccannon , bazookas and other smaller weapons with thermonuclear capability.

The smaller nuclear weapons may be tested under ground and under ground testing is not covered in the test ban agreement.

The Soviet Union probably has pulled off its master stroke in obtaining the test ban treaty. It ties the hands of the US in development of weapons of high destruction potential---a field in which the Soviet leads---and leaves itself free to pursue development of tactical nuclear weapons, a field in which it is behind.

The most discouraging aspect of the whole affair is the communist's complete contempt for the truth. Of what good is a treaty made with such people? The US has had some 51 agreements with the Soviet Union since the close of World War II. Of that number 50 have been broken by the Soviet Union.

Only grave danger can come to us from placing any trust whatever in a treaty with the Kremlin.

We hope the US Senate will weigh these facts along with the advice of our joint chiefs of staff before giving their consent for this treaty. We cannot survive a nuclear Pearl Harbor.

Letter To The Editor

Dear Editor:

I heard President Kennedy's speech the other day on disarmament through the UN and I couldn't believe that this is happening in the United States of America.

While listening to this speech I was among people that just took it in hook, line and sinker. What these people don't realize is that this disarmament treaty is also referring to general and complete disarmement of countries involved.

That means the disarmament of individuals' personal arms. The Soviet people are already disarmed and that is the reason that three percent communists of the country can rule the other ninety-seven percent. Under our constitution the people of our free country are given the right to hold and bear arms. Today many of our gov-ernmnet officials and citizens don't have much respectfor our constitution which has lasted longer than any other in history.

Super patriotism is nothing to be ashamed of in my opinion because I love my country and what it stands for.

People see things on the outside and think they are goodand well-meaning but inside they are not intended for the best interest of the problem. The disarmament treaty is a perfect example of this.

That's how the communists work. I don't understand why people don't realize this. What can we do to retain our freedom without the will or means to do so.

After we are disarmed the communists won't have far to go before they can take us over peacefully the way they plan to. I sure don't want to live under communism, do you?

Sincerely,
Bill Jarnagin

Dear Mr. Martin:

The Junior Chamber of Commerce would like to take this opportunity to express our sincere appreciation for the piece in your editorial commending our annual flag project.

As you know, the money received from such projects is used in various civic programs to benefit the people of Canyon.

We appreciate the contribution that the Canyon News and your editorials make to our community. Again we say "Thanks".

FROM THE CANYON RIM

by Troy Martin

The Martin family and R. B. Gist, Jr., family have just returned from a week of camping on the Conejos River in Colorado.

Conejos means rabbit in Spanish. Oddly enough, we saw only one rabbit during the entire trip. We must have seen a thousand chipmunks.

The chipmunks are bold little varmints. Our party never tired of watching them and feeding them. We think the river should be named the chipmunk rather than the rabbit river. However, we don't know the Spanish word for chipmunk so we'll leave it Conejos.

Probably the most delighted member of our party was the youngest. He fed chipmunks everything in sight. To the eyes of the four-year-old in our group the mountainside was working alive with Indians---all friendly.

He saw their teepees on distant peaks, was certain the redmen were hungry, decided to let the chipmunks scrounge for themselves and probably would have set off with some food for the redskins if we had permitted it.

The Doug Rittenberrys say their pasture is available for Girl Scout Day Camp any time. It has been used for day camp in the past and proved very satisfactory, say the Rittenberrys.

So Girl Scout Day Camp should prove only a small problem next year as a site already is available.

***

There are very few remote spots any more. Dan Tarpley tells us he was about to start fishing in a wild area a year or so back on the upper Rio Grande.

Just as he was about to make a cast, he looked at the ground and noticed a dime lost by someone who had been there before him.

We were sitting around the camp fire one night last week when Leroy Wooten walked up with a bunch of fish.

We met Delmer Burk from Odessa. Delmer is a friend of Clark Jarnagin. We also talked to Monty Swatzell, brother of Phil and Jack of Canyon.

As we drove into camp we spotted the Bob Gulletts whom we knew at Olton.

***

There was a time when an old boy could go over to a town just a few miles away from his own and sow a few wild oats. No more.

There's simply no way to get any place in which you will not meet someone you know within an hour.

***

We boarded out our dog, Foxy, with Dr. Joe Markham, the vet, while we made the trip. You will never witness a happier reunion than the one that took place when the Martin kids called for their pup.

The pup almost went into shock with ecstacy.

***

We appreciated the stand Gov. John Connally took on the President's civil rights bill. Connally took the position that Americans are guaranteed the right to own property and to use it as they see fit.

He said that to deny property owners the right to use their property as they see fit would in effect deny them the right to own property at all.

Governor Connally alluded to the part of the administration bill which would deny owners of business houses the right to refuse service to whom they please.

***

If the people we met along the trail are any indication, Kennedy popularity is at an all-time low. We talked to people from Colorado, Kansas and New Mexico and never uncovered a single Kennedy vote.

"I voted for him the last time," a grandmother from Kansas told us, "But I'll never vote for him again."

The President's unabashed grab for minority votes---often by outright mistreatment of the majority---may well cost him the White House in 1964.

For the first time in history a President has openly encouraged mob violence and rule by demonstration. In doing so President Kennedy has violated his oath of office.

Robert Kennedy, attorney general and brother of the President, is reported by Southern Senators to have tried to frighten them into backing White House plans for new laws regulating civil rights on the ground that the Administration has "lost control of the Negroes" and "bloodshed" would follow unless new laws were enacted. The Senators are reported to have told the attorney general that they would not be blackmailed.

***

The Negro is not demonstrating for equality under the law---all that is promised anyone under the Constitution. Social acceptance is what is being sought and this---like morality ---cannot be legislated or forced.

Mob violence and disregard for law can only further remove him from the social acceptance for which he yearns.

Mr. and Mrs. Jewell Pilgrim and son of Amarillo visited last Saturday night with Mr. and Mrs. Earl Miller and children.

Other guests in the Miller home Saturday evening were their children, Mr. and Mrs. Wylie Hannah, Mrs. Donnie Rogers and son, Kerry, and Mr. and Mrs. Carl Miller and Carolyn, all of Canyon.

They spent the evening playing "Wahoo".

O.C. Thompsons Hold Reunion

A family reunion for children and grandchildren of Mrs. O. C. Thompson of Lubbock was held in Lubbock last Sunday.

Attending the reunion from Canyon were Mr. and Mrs. F.D. Pettit, Mr. and Mrs. Golden Currie, and Mr. and Mrs. Mike Campbell.

Other families at the reunion were Mrs. Herbert Holub of San Angelo; the Wesley Piggs of Amherst; Mr. and Mrs. P.O. Thompson of Fort Worth; Mr. and Mrs. Bill Thompson of Olton; Mr. and Mrs. Norris Thompson, Mr. and Mrs. Raymond Thompson, Mr. and Mrs. A. K. Robertson, and Mr. and Mrs. Eugene Barton, all of Lubbock.

Guests of Mrs. Travis W. Payne Monday afternoon were her mother, Mrs. E. R. Sprawls, and her mother-in-law Mrs. S. J. Payne, both from Tulia.

Hilltop Views

by Dr. J. A. Hill

Continuing the story about Canyon and the College there is one more thing I feel impelled to say about the attempt to destroy West Texas State. Had that campaign, astutely conceived and directed and powerfully promoted, succeeded most of what is Canyon today would not be here, because the one thing that has given the city stability and permanency was and is West Texas State.

Moreover, the most capable faculty members would have suffered financial loss and professional prestige. The manifold services which the College was rendering the area would have been discontinued and thousands of capable and deserving young people would today be without a college education. Sweet are the rewards of victory when a righteous cause is at stake.

In 1929-30 West Texas State had staged a campaign for authority to add graduate study to its curriculum. Though at first apposed by the other Teachers Colleges, they all changed their attitudes when the Regents granted W.T.'s request in 1930. This institution granted the first Master degree within the Teacher's College system. (1931) but the fight above described compelled its suspension until 1935 when the Regents authorized its resumption in each of the sister institutions.

When in 1933 the legislature cut so drastically our appropriations we turned to the national government for all the help we could get. Under the Public Works Administration we obtained loans and grants that enabled us to build two dormitories, enlarge a third and build an out-door pool.

Under the Works Progress Administration we gave help to hundreds of needy students, vastly aided toward the enlargement of the museum, and did a tremendous amount of work in finding, excavating, and preparing for the preservation and exhibition of tons of scientific specimens, assisted in the building of Buffalo Courts, offices and dressing rooms for the athletic department, many hundred feet of rock fence, walled in tennis courts, and bleachers, enlarged the stadium and walled-in the old part of it, paved several campus streets, provided employment for many students, and covered the main floor of the Administration Building with terrazzo.

Under the National Youth Administration we found employment for an estimated 250 students annually for several years. They served as office assistants, library helpers, janitors, secretaries, laboratory assistants, manual laborers on odd jobs on the campus and in town, helpers on the construction of the new Randall Hall, and wherever else a need existed.

These programs continued to near the end of the decade--some almost to the opening of World War II. They had two important results: 1. They enabled many hundreds of young people to obtain a college education. 2. They contributed greatly to the enlargement and improvement of the college plant.

We still hear people bemeaning President Roosevelt and the New Deal. I differed completely with the President on several important matters, but I can only wonder, if we had not had him and his program or their equivalent, in what condition would this country be? It is not at all inconceivable that international revolution with great violence would have taken place and communism might have found earlier and deeper roots in our America.

Roosevelt has been in his grave for nearly 20 years and though each political party has had abundant opportunity to reverse his policies and wipe out the New Deal neither of them has done anything about it. Please, folks, turn off the anti-Roosevelt spigot.

Dr. R.C. Busteed trains his bird dogs to be versatile as is shown by this picture of his Britany spaniel pointer retrieving a downed bird from the water. The dog's name is Pat. Dr. Busteed put on a remarkable show of dog training Sunday evening at Buffalo Lake for a sportsman's club fish fry. Busteed placed live birds in tall grass and showed the crowd how a Britany spaniel can hold a point.

by Jim Thomas

HUNTING, FISHING AND CONSERVATION

Prairie Wildlife

And again the rains came--but the fishing is slower. Many folks are trying their luck these hot evenings at Buffalo Lake and some are doing pretty well, but in general, the fishing is slower at Old Muddy.

The Randall County Sportsman's Club had a good fish fry Sunday night at Buffalo Lake. Those who didn't attend surely missed a good one. There were all kinds of fried fish including salt water red snapper, fresh water crappie, channel catfish and even rainbow trout. And they were good. Baked beans, tomatoes, red and white onions (French fried!), bread, coffee, tea and a whole pot full of the best tasting cole slaw. There was more, but you get the idea---you missed a good meal. Free to club members.

Dr. Busteed gave an excellent demonstration of field work with his Britany spaniels. He used several dogs whose ages varied from 4 months to 17 months. The very youngest puppies were excitable but who wouldn't be with lots of children and grown folks around. Lots of stray smells too from the just finished fish fry.

The little pups were well enough trained to sniff out the birds that Dr. Busteed had hidden in the weeds and then to hold on the birds at point. Dr. Busteed said it took at least 250 hours of training to get one dog in good shape.

One of the more surprising parts of the demonstration came when Dr. Busteed sent one of the birds out over the lake where it fell to the surface and floated. One of Dr. Busteed's pups held on the bank until told to retrieve and then went after the fallen bird.

The pup swam straight to the bird, picked it up clear of the water and swam straight to the shore carring it to Mrs. Busteed. We will display our ignorance by saying we were surprised to see how well a pointer could retrieve.

Hunting season isn't too far off and things should start getting busier along those lines. Folks are already talking about the Fall trips after deer and elk.

We have gotten several inquiries concerning how to get permits to hunt Barbary sheep this Fall in the Panhandle.

The game commission voted this month ot open a short season on the recently introduced big game animal. Less than fifty permits will be given out and those will go to the landowners for disposal. Each landowner will get only two or three of the permits, however, and it is likely that the landowners will personally use the permits on this first sheephunt in the Panhandle.

Names and addresses of the landowners can be gotten by contacting the Amarillo office of the Texas Game and Fish Commission.

For the bow hunters, there will be an early season on deer in Southern Colorado. Short and sweet and before the regular hunters get in the brush, the pre-season bowhunt should be fun---especially since the trigger happy hunters from the big cities won't be in the area until later.

Bow hunting usually requires much more stalking than does hunting with a long-range rifle. Stalking a deer can be dangerous where there are anxious and inexperienced hunters about. Often the hunter is mistaken for the deer by another hunter. Ka-Pow!

Anyone interested in this hunt can get his information and out-of-state permit from the Colorado Game and Fish Commission in Denver. Permits will be for the bow hunt only and aren't very costly.

We suggest that bow hunters go in pairs and even in teams of four. It is considered foolish to hunt alone---anywhere---anytime.

Y'all come.

ALL IS WELL (OR IS IT?)

Some may wonder! When government operates 19,000 businesses, in direct competition with its taxpayers, they cannot be blamed for wondering. A case in point is the electric industry. Already over 15% of the nation's electricity is generated by the federal government. If you don't think all is well, write to your elected representative. He'll be interested in hearing your view.

Survey Shows Channel Cat Best Fish At Buffalo Lake

Buffalo Lake is getting its second fish survey in 8 months under the direction of the Canyon fish laboratory of the Texas Game and Fish Commission.

The last survey was in November of 1962.

Game and fish commission biologists spread six gill nets of various mesh sizes across certain portions of Buffalo Lake this week, trapping fish for study. Information gained through the survey will guide the game commission biologists in future fish control and management work.

Wednesday afternoon, the biologists netted 8 large wash tubs full of carp and other fish. The carp ranged in weight from a few pounds to better than 12 pounds per fish.

The nets were set at various parts of the lake to get a fair cross section of the lake's fish population by number and species. All told, the biologists pulled some 700 pounds of fish from the lake.

Nearly all species seemed to be in exceptionally good physical shape and most were heavy for their size with heavy layers of fat.

As the fish were pulled from the gill nets, they were placed in tubs of water and carried in boats to the shore. The biologists and their field assistants measured, weighed, checked sex and condition of reproduction organs and cleaned the fish. Fifty of each species were checked in this manner.

Lonnie Peters, graduate fish biologist and project leader for the Canyon fish lab, said Buffalo Lake is one of the most fertile lakes in the Southwest. Conditions are excellent for breeding and propagation of many species of fresh water fish, he said. This does not include the black bass, however, due to poor reproduction conditions.

Channel catfish, especially, are in excellent condition at Buffalo Lake this year, he said. Most of the channels caught in the gill nets Wednesday were in good shape with plenty of fat. Most of the female channel catfish had already spawned and most of the males were in a spent condition, indicating that they had at least tried to fertilize the female's eggs.

Peters said that one individual last week caught a 4 1/2 pound channel catfish that the commission had tagged 15 months ago and returned to the lake. The fish weighed 2 1/2 pounds at the time he was tagged, Peters said. This indicates nearly a 100 percent weight gain in less than a year and a half, Peters said.

The crappie at Buffalo have thinned out somewhat, Peters said. Conditions for reproduction of crappie were poor this year at the time the females were ripe with their eggs. Crappie usually spawn best right after a sharp rise in the lake level. Peters said the rise came so late that many of the females had absorbed their eggs instead of spawning.

With the crappie population down some, the existing crappie will have more food and should grow to a larger size than they have been, Peters said.

"Though fishermen will probably catch fewer crappie next year, the ones they do catch should be much larger than usual," he said.

Throughout the netting, the biologists netted only two white bass and no mature black bass, though this does not have to mean there are few of the bass in the lake. They may have been lying in another part of the lake at the time of the netting, Peters said. Some large bass have come out of Buffalo Lake this year.

The net samples also caught numberous young black bass, most of which were probably the bass stocked into Buffalo this year by the federal and state fish hatcheries.

Peters says the channel catfish are running well now, which should make for good fishing of that species.

George Henderson, assistant project leader for the Canyon fish lab of the game and fish commission, sorts out the various fish the game commission biologists caught in gill nets at Buffalo Lake last week. The large fish in the tubs are carp, thought of as trash fish and not desirable to have in the lake.

Mr. and Mrs. Floyd Hull of Spearman visited over the week end with his sister's family, the Bob Ratliffs.

Mr. and Mrs. Carlton Patterson and Mr. and Mrs. Floyd Skipper visited with relatives in Alanreid and McLean last week end.

The Pattersons visited with her mother, Mrs. Jewel Webb, and grandmother, Mrs. J. A. Darnell, in Alanreid. They also visited with her sister's family, Mr. and Mrs. Melvin Baker.

Margaret Patterson, daughter of the Carlton Pattersons, is visiting in Alanreid this week with her grandmother, Mrs. Jewel Webb.

Canyon Holsteins Set New Records

The Holstein-Friesian Association of America, a national dairy organization, said recently that two registered Holstein cows in the Canyon area have established new milk and butterfat production records.

Texas A & M College supervised the weighing and testing of the Holstein records as part of the breed's nation-wide herd testing program.

R. Hales Chief Trudy 4820408, a three-year old owned by Richmond Hales of Canyon, produced 18,007 pounds of milk and 569 pounds of butterfat in 315 days.

Tierra Blanca Walker Girl 3724895, a ten-year old owned by Louis G. Hinders of Canyon, produced 20,020 pounds of milk and 785 pounds of butterfat in 365 days.

According to the national Holstein organization, the new production figures compare to an annual output of 7,211 pounds of milk and 270 pounds of butterfat by the average U. S. dairy cow.

NEW YORK INTERNATIONAL AIRPORT, July 22, 1963... Boy Scouts of Troop 10, Region 9, covering Oklahoma and Texas, are shown prior to boarding TWA Jetline on their way to Athens, Greece, to participate in the International Boy Scout Jamboree. Scoutmaster is A. W. Benner of Lubbock. Canyon boys making the trip include Kenny Crossland, Bill Long, Randy Warren, Dick White, George Cox and Clifford Sherrod.

Old Timers Will Register During Reunion Activities

During the Old Settlers Reunion August 1st, 2nd, and 3rd, the Canyon Chamber of Commerce will sponsor a registration boothe where all the old timers can sign their names and addresses.

"We want the old folks to register, so we'll have their names and addresses," says Roland Black, manager of the Chamber of Commerce.

"We know that a lot of the old folks didn't receive an invitation this year, because we didn't have their names and addresses on file.

"All the old settlers that do register will receive free tickets to the Pancake Supper, held in the American Legion Hall from 5 to 7:30 p.m. August 2," Black said.

The Canyon Chamber of Commerce has sent out 150 invitations to old settlers now living in states all across the Southwest.

"We have had old timers register with the chamber of commerce from several states away and even as far as California," Black said. "Many of the old timers travel to Canyon just for the reunion," he said.

The Canyon Chamber of Commerce will give an engraved plaque to the old settler that has traveled farthest to the reunion. The chamber will also give plaques for the oldest settler at the reunion and for the settler that has lived in the county the longest.

Mrs. B. C. Taylor won the plaque for the oldest county resident last year, but she has died since. She came to Randall County in 1889 and had lived here ever since, according to Black.

Joe and Gene Johnson spent a week recently with their mother, Mrs. Lola Johnson, in Oklahoma City, Oklahoma. The boys live with their grandparents, the L. S. Procks.

Visiting with Mr. and Mrs. N. R. Pool, Jr. over the week end were his parents, Mr. and Mrs. N. R. Pool, Sr., from Edmondson.

Sunday dinner guests in the Pool home included his parents and the families of his brothers, Mr. and Mrs. Durwood Pool and Mr. and Mrs. Perry Pool of Amarillo and Mr. and Mrs. J. C. Pool of Canyon.

Rev. Garrison To Speak Here

Rev. G. E. Garrison of the Calvary Baptist Church in Amarillo will be guest speaker for the Area Fellowship Meeting at Southside Baptist Church in Canyon Friday evening.

The program will begin at 7:30 p.m. with a refreshment period after the meeting.

Two Mishaps Reported At Buffalo Lake

Buffalo Lake was the scene of two traffic accidents over the week end, neither of which resulted in any reported injuries.

Two fishermen escaped injury late Saturday evening when their car left the road below the Buffalo Lake dam and fell into a ravine. The car turned over in the fall. Driver of the car was Leland Talbert, 52, of Clinton, Oklahoma, according to investigating highway patrol officers.

Sunday evening, a car driven by Edward Venhaus, 27, of Rt. 2, Happy, was in a collision with another car driven by Martha Bridges, 27, of Hereford. The Bridges car was towing a boat and trailer from a dirt lakeside road onto the Buffalo Lake Road when the accident happened.

No injuries were reported among the drivers of the two cars or their passengers.

Guests of Mr. and Mrs. Walter Partridge over the week end were Mr. and Mrs. Roy Scruggs of Pharr, Texas

Roy Scruggs is a brother of Mrs. Partridge.

Two Canyon Boys Serve On Carrier

James G. Wells, seaman apprentice, USN, son of Mr. and Mrs. Ray Wells, Rockey W. Cating, radarman third class, USN, son of Mr. and Mrs. Dean B. Lowes, both of Canyon, are serving aboard the attack aircraft carrier USS CONSTELLATION, a Seventh Fleet unit, which recently participated in a joint U.S.-Republic of Korea amphibious exercise dubbed "Operation Flagpole" and conducted near Seoul, Korea.

The training exercise involved 67 ships plus numerous Marine air and ground units of both nations.

It ended June 28, as U. S. and Korean Marines secured their objectives after four days shore combat amid driving rain.

"Flagpole" is similar to other operations periodically conducted by Seventh Fleet units with armed forces of Far Eastern countries to improve proficiency in amphibious maneuvers. It is aimed also at maintaining close working relationships between allied nations.

It consisted of a mock invasion force gaining limited control of parts of the Republic of Korea and requiring action by American and Korean forces to destroy the enemy and restore govermental control.

The Constellation normally operates out of San Diego, California.

Services Held For Knorpp

Raymond Knorpp, 74, died Monday of last week at Thurmon's Convalescent home in Amarillo.

Mr. Knorpp was a retired rancher from Groom. He came to Groom in 1910 with his parents from their Missouri home. Mr. Knorpp lived in Gilroy, California for several years and returned to ranching at Groom in the early 1930's.

Funeral services for Mr. Knorpp were held Wednesday of last week at Blackburn-Shaw Memorial Chapel in Amarillo with Rev. L. E. Godwin, retired Baptist minister, officiating. Interment was in Llano Mausoleum in Amarillo.

Mrs. Myrtle Lee Knorpp of Canyon was a sister-in-law of the deceased. Her sons, Kenton and Kerry Knorpp of Canyon, served as pallbearers along with other nephews.

Other survivors include three brothers, A. W. of Groom, John L. of San Diego, California and Art of Amarillo; three sisters, Mrs. T. L. Roach of Amarillo, Mrs. W. J. Stubblefield of White Deer and Mrs. Roy Garer of Houston; a half-brother, Lawrence Knorpp of Iowa City, Iowa; and a number of nieces and nephews.

Mrs. Sanders Returns Home

Mrs. Dan Sanders returned recently from a month of traveling in Ohio, Michigan, New Jersey and Canada.

She attended a teachers conference in Columbus, Ohio and an NEA Convention in Detroit, Michigan.

Mrs. Sanders made a weeks sightseeing tour of Canada with several teachers from Amarillo. They visited in Montreal, Quebec and saw Niagara Falls from the Canadian side.

A visit in Trenton, New Jersey with her son, Charles R. Sanders and family, concluded the month of travel. Jeff Knighton, grandson of Mrs. Sanders, also visited with the Charles Sanders family and returned to Canyon with his grandmother.

Vance Robinson, son of Mr. and Mrs. John F. Robinson, has been visiting with his grandmother, Mrs. Hattie Robinson, in Seymour recently.

Visiting with Mr. and Mrs. A. B. Russell over the week end were Mr. and Mrs. J.A. Russell of Slaton and their nephew, Eddie Buck, from Houston.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

Taylor-Evans can fill every fertilizer need of both the dry land and irrigated farmers. Taylor-Evans has the newest, latest and best equipment for giving the farmer the best results with the application of anhydrous ammonia.

Taylor-Evans take the responsibility of getting the ammonia to the farmer's land, putting it on the crops and showing the farmer how to apply it.

They have custom applicators which make the application easier and faster for the farmer. They furnish everything and the farmer doesn't have to worry about anything.

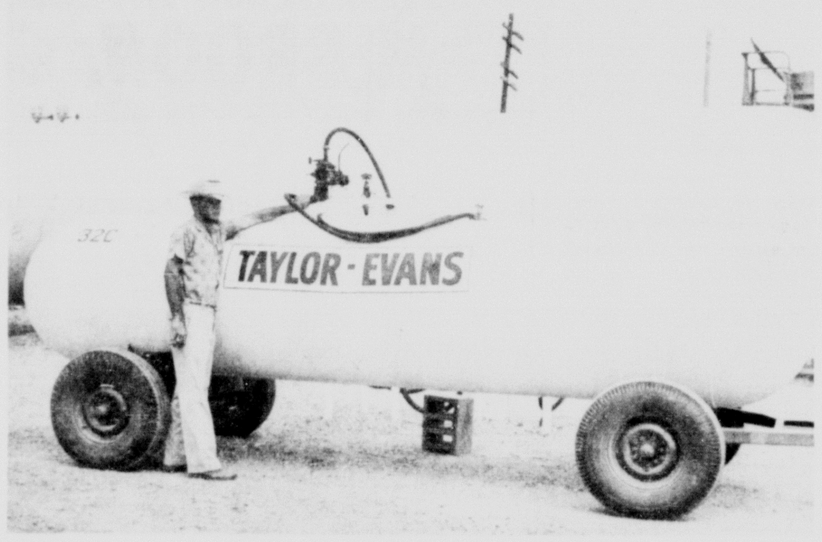

All 1,000 gallon trucks owned and operated by Taylor-Evans have vapor pumps. After filling the tanks, the men at Taylor-Evans deliver the ammonia to the turn row and hook the rigs up for the farmer.

"We can fill a tank in about 20 minutes," says Virgil Sletz.

The only thing the farmer has to do is furnish a tractor and driver and Taylor-Evans will hook up the equipment and show the driver how to operate it. All this service is available for no extra cost.

And after the ammonia has been applied the results speak for themselves.

Since this is the time to use anhydrous ammonia, Taylor-Evans invites you to come in and inquire about their credit plan . . . and do it now.

Hoskins Steadily Moves Up State Parks Ladder

If experience is a good teacher, Buddy Hoskins would be one of the experts in Texas in the field of tourism and state park administration.

Hoskins, after 11 years in the service of the Texas State Parks Board, has steadily moved up the ladder of responsibility and achievement in his field.

He is being promoted to work in the Austin headquarters of the Texas State Parks Board, soon to be merged with the Game and Fish Commission as the Texas Commission of Parks and Wildlife.

Hoskins came to the Texas Panhandle in February of 1962 when the Parks Board appointed him regional ranger for the Panhandle and head ranger of the 15,000 acre Palo Duro Canyon State Park. He had been serving as regional ranger in lower West Texas at the time of the appointment.

The Parks Board first employed Hoskins in the maintenance shop at Bastrop State Park where he held down general duties.

Soon he was transferred to Caddo Lake State Park in the "piney woods" of East Texas. He took over the responsibilities of manager and park ranger.

At Caddo Lake, Hoskins initiated a pattern of park management that he has kept throughout his career. He opened up the park to visitors by developing camping areas, clearing brush, cleaning up roadways, paths and improving restroom facilities. Prior to his management, Caddo Lake State Park held little attraction to the thousands of family campers searching the state for a good place to camp their vacations away.

Hoskins was one of the first professional park managers in the Southwest to recognize the developing trend towards family camping as a means of recreation.

Hoskins was transferred from the pine forest of Caddo Lake to the open savannahs of Corpus Christi State Park in South Texas. Again he was faced with a relatively undeveloped state park. The park had some 530 acres of land located at the 22,000 acre Lake Corpus Christi.

"We continued to develop camping and water sports which were the two main activities there.

"We tried desperately to meet the steady increase in camping and water sports at the park. Skiing and other water sports had grown by leaps and bounds in the last 5 or 6 years.

"We participated in ski shows with the local ski club and drew crowds of participants and spectators seldom equaled at ski shows anywhere.

"We set records in paid attendence in the swimming areas for the state park system. There were 1,468 paid swimmers in the swimming area in one day at the park. We had developed a fenced-in swimming area in one of the quiet lake coves. It had some nice beaches. There were five life guards on duty there at one time," he said.

Hoskins was promoted from park ranger at Corpus Christi State Park to regional ranger for West Texas in the Fall of 1961. He had the responsibility of all the parks in his region from the Davis Mountains State Park in the Big Bend country to Big Spring State Park near Big Spring, Texas. There were more than 50 state parks in the system at the time.

Finally in February of 1962, Hoskins was made regional ranger for all of Northwest Texas, including the entire Texas Panhandle. His headquarters were to be at the 15,000 acre Palo Duro Canyon State Park, the largest state park in Texas, second in size only to Big Bend National Park.

The new position was quite a change for the Hoskins family from the damp, hot country of South Texas. The change amounted to some 3000 feet in altitude and a distance of over 600 miles. The annual mean temperature was lower too, he said.

"The first thing we did when we got here was to clean up the park," he said.

Following in the management pattern that by now was a set procedure, Hoskins put a stop to all the "beer busts" he found in progress in the park. He had found similar activities at Caddo Lake and Corpus Christi State Parks when he started there, he said.

"Since that time, the family groups have come back to the park in increasing numbers. They had been staying away because of the activities frequently going on in the park," Hoskins said.

"It has been our pleasure to work with the chambers of commerce in Canyon and Amarillo. They have been interested in what they can do for the park instead of what the park can do for them.

"Most people underestimate the economic value of camping families in the state parks. The Texas Highway Department values the visitors to our state parks at a little over $8 per person per day.

"In June of this year, we had over 3000 carloads of people that camped overnight in the park. Those were the camping families and the 3000 carloads does not include the regular daytime visitors. We had a total of 32,156 persons in the park in June.

"More emphasis should be given to the campers by the people of Amarillo and Canyon. These campers are valuable. This summer, I carried a man into Canyon so he could buy a little tire for his camp trailer.

"I took him by a service station and he bought a tire for his trailer. He went on to the drug store, visited a dry goods store, a dime store and a grocery.

"He spent $42 before we left town for the park.

"That's a little exceptional, but it is an example of what these people's needs are as they travel across the country.

"We also set an attendence record here last Easter Sunday when 1500 carloads of people visited the park. We estimated the crowd at better than ten thousand persons. That doesn't include the 400-plus carloads of people we let through the gate free to attend Easter Sunrise services in the new amphitheater," Hoskins said.

The attendence at Palo Duro Canyon State Park increased by 12,000 persons in the first year that Hoskins was running it.

The attendence this year has already increased beyond the 12,000 visitor increase recorded during Hoskin's first year in the park.

"Since we have been here, we have tried to take advantage of all the free advertising we can get. We take advantage of the advertising the oil companies do with their travel programs and their travel maps," Hoskins said.

Palo Duro Canyon State Park and its ranger was the subject of a full-page color advertisement in the June 28 issue of LIFE magazine. The ad was a part of an oil company's program to get people to travel more by illustrating nationally the scenic places in the nation.

Hoskins was born in Bastrop, Texas, where he went to school until drafted into the Marine Corps in 1943. He served in the South Pacific, was at Guadalcanal and Guam and was in the first assault wave to hit the beaches at Okinawa on Easter Sunday, 1945.

After the Battle of Okinawa, Hoskins returned to Guam and from there participated in the initial landing and occupation of Japan.

"We went in right behind the battleship Missouri. We were looking down the barrels of big Japanese guns as we came into the harbor. Their bores were big as barrels. That was an awsome feeling because they had not yet signed the treaty. The Missouri anchored and we went around her to dismantle those guns," he said.

Hoskins returned to Bastrop in 1946 and went to Weatherford Junior College. Later he went to work for a drilling company as a roughneck.

He went to work for the Parks Board in 1952 at Bastrop. "From there I've been to Caddo Lake, Corpus Chirsti, Big Spring, Palo Duro Canyon and now to Austin," he said.

Hoskins says his success at Palo Duro Canyon State Park has been largely due to the excellent cooperation he got from the Randall County Sheriff's Department, Justice of the Peace and the Texas Highway Patrol. "You just can't find more cooperative people. They have been tops," Hoskins said.

Hoskins is past president and vice-president of the Texas State Park Managers Association.

He and his wife, Geraldine, have two children; Lesley who is 12 and who appeared in LIFE magazine with Hoskins, and Neccia, 6. Neccia starts school for the first time in September.

Randy Warren Reports On World Scout Meet

Six Canyon Boy Scouts left Canyon July 17 to attend the World Jamboree of Scouting in Greece.

A weekly letter from the Canyon scouts will be printed in the Canyon News giving a week-by-week account of their activities. The first of the letters, from Randy Warren, dated July 22, reads as follows:

"Hi:

"I'm fine and having a great time. It took us about 5 1/2 hours to fly from Dallas to New York. After we got to New York, we went by ferry to Fort Slougan which is a school for ministers. We had a good time there and we all got a free razor which the company gave us.

"We left New York yesterday (July 21) about 7:30 a.m. and 7 hours later we were in Paris, France, where we stopped to refuel. We got off the plane for about an hour to get some pictures. I got some pictures also. We left Paris and arrived in Geneva, Switzerland, 40 minutes later.

"We then went by bus to Lausanne, arriving there at 2 in the morning or 7 p.m. Texas time. We went to bed and got up at 7:30. We have been out on the town all day long. It's really quite a place to be. Quite a few of the people speak English so it is not hard to talk.

"All the prices are in franks but I have learned the exchange and its really very easy. The food is wonderful and the waiters bring out whole trays with about 20 kinds of cheese, but I don't try them much. They smell too bad, but I eat the fruits he brings also.

"We are going on a tour of the local area tomorrow (July 23) and then we are leaving for Rome the next day. Well I've got to get to bed, I'm Kind of bushed. After all, I've only had 3 hours of sleep."

Love

Randy Warren."

The six scouts who went on the tripare Randy Warren, George Cox, Clifford Sherrod, Dick White, Bill Long and Kenny Crossland.

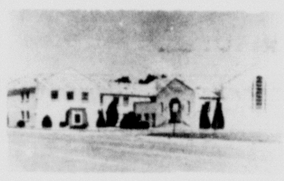

Tagged Catfish Shows Growth

W.A. Ayers of 645 N. Osage in Amarillo, caught a 4 1/2 pound tagged channel catfish last week in Buffalo Lake.

The catfish had been tagged April 5, 1962, by the Game and Fish Commission at which time the fish weighed 2 1/2 pounds.

The 2 pound difference in weight during the 15 month interval, represents nearly a 100 per cent weight increase, which is really a very good growth rate, according to Lonnie Peters of the Game and Fish Commission in Canyon.

Peters said Buffalo Lake is one of the most fertile fish producing lakes in Texas.
